

WINE ENTHUSIAST®

A fully completed copy of this form must accompany all samples.

Wine Enthusiast tastes, reviews and rates wines to publish in our Buying Guide and consider as feature articles. Our mission is to provide readers with useful information about currently available wines and select older examples. *Wine Enthusiast* promises to make every effort to objectively taste and review all samples received, though we do not guarantee all samples received will be reviewed. **We will not review wines that are not currently imported into the U.S.** We request two bottles of each submission to allow for a retaste in the case of a flawed bottle or desired second analysis. Generally, nonvintage wines are eligible for review once every two years. There is no charge for participation in the tasting and review program. This form and our accompanying **FAQ Information Sheet** are available for download at www.winemag.com/submit-for-rating. Thank you for your participation!
